Hi Milene,

The LA River team runs on a set schedule. The location requested is scheduled for March 23-26. You certainly may add the location to the CARE team's priorities and they will visit the location earlier if needed.

Thanks,

Hi Leon and Diana!

I was wondering how our team should go about scheduling service for encampments along the LA river, since there is a special Care team for this.

There are encampments along the bike path, north of Los Feliz Blvd & east of Riverside Dr. Should I put this in our Google Sheet?

Thanks,  
Milene
